## ***Technology Informatics Guiding Education Reform: TIGER Collaboratives*** **Monday, February 25, 12:30 PM - 1:30 PM**

### **Description:**

Nine collaboratives are now working to the transformation of nursing practice as envisioned by the Technology Informatics Guiding Education Reform (TIGER) Initiative. Listen in on an update from these collaboratives on information originally presented at HIMSS 2007.

### **Speaker Information:**

Donna DuLong, BSN, RN

*Executive Program Director, The TIGER Initiative*

Marion Ball, Ed.D, Fellow

*Center for Healthcare Management, IBM Research*

### **Objectives:**

- Summarize the progress of the TIGER initiative since its inception and report released at HIMSS 2007
- List the nine current TIGER collaboratives
- Summarize the TIGER vision and action plan for 2008
- Describe the outcomes to date of selected TIGER collaboratives
- Discuss the future plans of selected TIGER collaboratives
